

# Bundle with Univera

## Dental coverage for everyone

### valUcare Plus Pediatric Dental – Essential Health Benefits

*(Covers to age 19 only)*

- Most convenient way to provide Health Care Reform essential benefits
- Limited services – covers full range of diagnostic, palliative and therapeutic services, but not as robust as our stand-alone dental plans
- Cost share varies by plan, and is subject to medical deductible:
  - > Standard = PCP Copay
  - > Select = 80%/80%/50%/50%
- Preventive services including cleanings, fluoride treatments & sealants
- Routine exams, x-rays and fillings
- Restorative root canals, stainless steel crowns, stabilization of cleft palate
- Orthodontics to treat serious medical conditions

Included with  
valUcare Plus

### Enhance your dental coverage with Univera Dental Select Options:

For adults  
ages 19 &  
over

#### Univera Dental Select with Rider\*

- Richer, more extensive coverage under the fee schedule for adults
- Guidelines for coverage are less restrictive
- Comprehensive ortho can be added as a rider for children to age 19

*\*Pending DFS approval*

## OR

You get all of the pediatric dental benefits included in valUcare Plus, and can add one of the following for complete dental coverage.

For the  
entire family

#### Univera Dental Select

- Children under 19 get dental benefits above and beyond what is covered under the medical plan, such as porcelain crowns and implants
- Pediatric benefits would not be subject to the medical plan deductibles
- Allows greater plan design flexibility for children, including 100% on preventive services
- Richer, more extensive coverage under the fee schedule for the entire family
- Guidelines for coverage are less restrictive
- Comprehensive ortho can be added as a rider for children to age 19

### No matter which dental plan you choose, when you choose Univera Healthcare you get:

- Strong local dental network, whether stand-alone or embedded
- Approximately 40% provider participation meets national average
- Flexible benefit options on stand-alone products
- Competitive dental rates
- One-stop shop for comprehensive medical and dental coverage
- Local carrier with strong ties to the community
